Brigvanti, terms and conditions

These terms apply to every use of Brigvanti. Version 2, 12 November 2026.

1. Who we are

The Ninth Tee, Rijswijkstraat 199, 1062 XL Amsterdam, the Netherlands. Chamber of Commerce number 98566903. Support: **support@theninthtee.eu**. Payments and privacy: **legal@theninthtee.eu**.

In these terms, "we" means The Ninth Tee. "You" means the person who uses Brigvanti.

2. What Brigvanti is

Brigvanti is a learning app for AI skills. It gives you an advisory picture of your level per skill, and assignments built on tasks from your own work.

Your level is advice. It is not an assessment, a certificate or a qualification. The AI coach gives feedback. It never scores you and never decides your level.

The coach is an AI model and can be wrong. Do not rely on it for legal, medical, financial or safety decisions. You stay responsible for what you do with its feedback.

3. Your account

You must be 18 or over. You need an account to use Brigvanti. Keep your sign in details to yourself.

Do not enter special category data, identification numbers, bank details or another person's personal data. The privacy statement explains how we handle your data.

4. Free and Plus

Free is free of charge. Plus is a paid plan with more areas and more coached assignments. The plans, prices and limits are on the Plans and prices page.

The daily and monthly limits on coached assignments protect the service. Unused assignments do not carry over.

5. Prices and payment

Prices are in euro and include VAT. You pay in advance through Mollie.

Monthly: Your first payment activates Plus. After that, Mollie automatically collects the monthly fee from the same account or card each month. If a payment fails, we will send you a single reminder email 3 days after the due date, giving you the option to pay manually in your Account. If the balance remains unpaid 5 days after the due date, your Plus subscription will end.

Yearly: you pay once for 12 months.

We announce a price change at least 30 days ahead. It applies from your next period. You may cancel before it applies.

6. Duration and cancelling

The monthly plan runs per month until you cancel. You can cancel at any time in Account. Plus then stays until the end of the month you paid for. We do not refund part of a month after cancelling, except when you withdraw under section 7.

The yearly plan ends after 12 months. It does not renew by itself. We email you 30 days before it ends.

We also email you a confirmation when Plus starts, a receipt for each payment, and a confirmation when you cancel or withdraw.

7. Right of withdrawal

You may withdraw from a paid plan within 14 days of your first payment, without giving a reason.

At checkout you ask us to start Plus straight away. If you withdraw, you pay for the days you used. We refund the rest within 14 days, to the account or card you paid with.

To withdraw, open Account and choose Withdraw from contract. You can also email **legal@theninthtee.eu** with your name, the email of your account and the date of payment.

8. Your work

You keep ownership of the text you write. You give us permission to process it, to give you feedback and to show you your own record. We do not use it to train AI models.

Do not use Brigvanti to break the law, to harm others or to attack the service. We may block an account that does.

9. Our content

The framework, questions and assignments belong to us. You may use them for your own learning. Do not copy or redistribute them.

10. Availability and changes

We work to keep Brigvanti available, but we cannot promise it is always free of errors or interruptions. We may improve or change the service. If a change takes away a main part of Plus, you may cancel and we refund the unused part.

11. Liability

Our liability is limited to the amount you paid us in the 12 months before the damage. This limit does not apply to damage caused by our intent or gross negligence, or where the law does not allow it.

12. Ending your account

You can delete your account at any time in Account. Deleting your account also cancels a monthly plan.

We may end or block an account that breaks these terms. If we end a paid plan without a reason in these terms, we refund the unused part.

13. Complaints

Send a complaint to **support@theninthtee.eu**. We answer within 14 days.

14. Law and changes to these terms

Dutch law applies. If you live in another EU country, you keep the protection of its mandatory consumer law. A dispute goes to the competent court in the Netherlands, unless the law gives you another choice.

We announce a change to these terms at least 30 days ahead. If you do not agree, you may cancel before the change applies.
